

PAPAKURA DISTRICT COUNCIL ELECTION OF TWO (2) COUNCILLORS FOR THE RED HILL WARD

Pride of Papakura - Zero Tolerance

Papakura district has been my home for more than two decades. The residents of Papakura and Red Hill supported my bakery for over 23 years and watched it develop and grow into a very successful business. I needed a change and so does our current council. Red Hill and all of Papakura needs strong representation and leadership to focus on a number of important issues – more visible policing – free rubbish bags, accountability for council. Let’s ask the right questions so we can achieve the right solution that best suits Red Hill and Papakura. You have already shown your overwhelming support for our zero tolerance on Graffiti and Youth Crime Campaign. It could have gone further. Together, as a united community that listens and communicates, we can achieve our ratepayers’ needs, and watch Papakura develop and grow much more successfully.
