

PAPAKURA DISTRICT COUNCIL ELECTION OF MAYOR

Calum PENROSE

Pride of Papakura - Zero Tolerance

I have a long standing relationship with the people of Papakura through my successful Papakura Bakery of 24 years. My wife and I have four children whom all attend excellent schools in the Papakura district. I am an active co-founder of the Pride of Papakura – zero tolerance against graffiti and youth crime. We achieved very rewarding results with exceptional support from the community. It was unfortunate that council chose to ignore the outstanding response and did not resolve the problem. I believe we can do better for our ratepayers, the elderly and our children with competent focused leadership. I have over the years built a good relationship with our police, housing and schools. As mayor, I will continue to attain a high standard of communication with them. My goal would be to achieve a community and council that listens, communicates, recognises problem areas and resolves them effectively.
