

PAPAKURA DISTRICT COUNCIL ELECTION OF TWO (2) COUNCILLORS FOR THE RED HILL WARD

David DAWSON

Independent

I seek your vote because I believe Papakura to be a 'Lifestyle Choice'. That means a great place to live, work and play. A district for family opportunities in urban and rural areas.

My skills include: extensive successful education leadership and management; financial knowledge, maximising every dollar collected, by being spent on essentials; understanding and using processes to achieve outcomes; getting people

involved and included; an eye for detail; a constructive and positive approach to challenges; a listening ear to constituents' views.

Being semi-retired and young at heart, I have the time to commit to Council and the Red Hill Ward. I will support employment opportunities through growth in the business and education sectors, while council continues to provide excellent infrastructure and services.

A vote for David Dawson is a vote for families and Papakura being a good place to be.

A 'Lifestyle Choice and Opportunity.'
