Felicity Jane AUVA'A

Felicity Auva'a: resident 45 years, married 25 years to Enosa, Principal, 4 children.

Teacher 25 years, specialising in Primary School Music, conductor School's Festival; Carols in the Park.

Owner Kiwi Superscope Training Institute 10 years, specialising in training Teacher Support staff.

St Mary's BoT 9 years, coaching sports, Sunday school, local Presbyterian 27 years. As a business owner, community worker, teacher and former District Councillor, I would bring my knowledge and experience to serve the Papakura Community. I believe the Pahurehure inlet scheme has marvellous opportunities for Papakura; one of many ideas we must pursue to attract people to work, shop and live here. Security and a safe environment for our children and business investors are paramount. We need to maintain our independence to preserve the autonomy and uniqueness of our 'Town and Country'. I want good and transparent governance for our city so residents can enjoy Papakura's outstanding facilities.
