

PAPAKURA DISTRICT COUNCIL ELECTION OF TWO (2) COUNCILLORS FOR THE PAHUREHURE WARD

Mark O'CONNOR

Pride of Papakura - Zero Tolerance

I stand for total transparency and accountability in council. I have resided in Papakura for the last 30 years. My family and I live in the Pahurehure Ward. For 19 years I have successfully owned and operated my own business. Member of Conifer Grove Residents' Association, and active committee member of the Papakura Community Crime Watch Patrol. Co-founded the 'Pride of Papakura' group - zero tolerance against crime and graffiti which organized a petition for 'zero tolerance towards graffiti and youth crime' where 17,000 signatures were collected.

Helped set up a successful public meeting in Papakura against crime and graffiti.

I am very passionate about Papakura, and believe in community spirit and promoting pride in our community. I also believe in elected councillors leading council, and I feel we need a clean sweep away from the current council. Let's all work together for a Papakura to be proud of again.
