

PAPAKURA DISTRICT COUNCIL ELECTION OF TWO (2) COUNCILLORS FOR THE DRURY WARD

Peter GOLDSMITH

Independent

Committed to our vision 'Papakura, a place where children grown and families thrive'

Current Council has gone a long way to making this a reality. We have addressed the overdue renewal and maintenance of our roads, footpaths and storm water; the revitalization of our CBD; the development of key leisure areas such as Bruce Pulman Park, Pahurehure Inlet, Central Park and

Pukekiwiriki. We have better urban design for new residential developments, new playgrounds, walk ways and the removal of graffiti.

Areas for consideration over the next three years include: Education, Community Development, Economic Development, Protection of our Rural Landscape, Public Transport (particularly local connections to the rail corridor) and confirming Papakura's place in the Greater Auckland Region.

I Chair the 10 Year and Annual Planning Committees. I represent Papakura at Regional Growth and Strategic Planning Forums. I champion Education, Youth, Sports and Recreation initiatives within the district.
