

PAPAKURA DISTRICT COUNCIL ELECTION OF TWO (2) COUNCILLORS FOR THE PAHUREHURE WARD

Raj THANDI

Sick of graffiti and property crime? Tired of potholes, broken footpaths and litter clogging up the public drains and gutter? Fed up with increasing rates and water bills? If you are then you should vote for Raj Thandi.

A local businessman who has lived in Pahurehure for the past 8 years, Raj believes the council needs new and younger leaders who possess the energy and vision needed to change Papakura for the better. As a husband, and father of two young daughters, he wants to make Papakura truly family-friendly town.

Raj is a local boy through and through. He loves playing basketball and enjoys competing against teams throughout Counties Manukau. Raj sees sport as a means of motivating young people to do something positive with their lives. As a Papakura District Councillor, Raj will promote sport as an alternative to 'yobbish' youth behaviour within the community.

1 for Thandi.
