Attachments:

The following documents are attached to this application: []

Plans and Specifications		Copies of other Authorisations	
Other:			

Reasons why a certificate of acceptance is required: [where applicable]

The owner, or the owner's predecessor in title, carried out building work for which a building consent was required, but a building consent was not obtained because:

.....

A building consent could not practicably be obtained in advance because the building work had to be carried out urgently: (delete one of the following)

a. for the purpose of saving or protecting life or health or preventing serious damage to property as follows:

.....

b. in order to ensure that a specified system was maintained in a safe condition or made safe as follows:

.....

The building consent authority that granted the building consent is unable or refuses to issue a code compliance certificate in relation to the building work, and no other building consent authority will agree to issue a code compliance certificate for the building work: [state details of name of building consent authority and building consent granted]

.....

Compliance schedule: [where applicable]

The specified systems for the building are as follows:

.....

.....

The following specified systems were altered, added to, or removed in the course of the building work:

.....

There are no specified systems in the building.

Attachments:
